INSTRUCTIONS TO BIDDERS

1. **Bidder Responsibility** – Bidder is expected to be thoroughly familiar with all specifications and requirements of this bid. Failure or omission to examine any relevant form, article, site or document will not relieve you from any obligation regarding this Bid. By Submitting a Response, you are presumed to concur with all terms, conditions and specifications of this Bid unless you have specifically, by Section number, raised objection in writing and submitted it with your bid. Objections we consider excessive or affecting vital terms may reduce or eliminate your prospects for award.

2. Bidder may withdraw his bid by making a properly authorized and executed written application to the Controller's office prior to the deadline for the submission of bids. Certain bids may be withdrawn after the bid opening if in compliance with the act of January 23, 1974, P.L. 9 No.4 : 1 et seq. 73 PS : 1601 et seq.

3. **Contract** – By submitting a bid, the Bidder warrants that if the County makes an award to the Bidder, the Bidder shall, at the option of the County, enter into a written contract with the County. This contract shall consist of the terms and conditions set forth in the Bid, Bulletins (if applicable), Specifications, and these Instructions to Bidders. If no bid bond or substitute is required and Bidder shall pay to the County the difference in the amount specified in bid and the amount County shall pay to fulfill the specifications.

4. **Permits and Fees** - If applicable, the Contractor shall secure and pay for, all permits, fees licenses and inspections necessary for the proper execution and completion of the work which are customarily secured after execution of the agreement and which are legally required.

5. **Other Entity Use** - The successful Bidder may be requested to convey the bid prices, contract terms and conditions to municipalities or other governmental agencies within the County of Washington.

All orders, deliveries and invoices will be the responsibility of the participating governmental agencies. Washington County will not be responsible for any orders, deliveries and invoices placed by the participating governmental agency.

6. **Contract Approval** – The Washington County Board of Commissioners must approve the contract resulting from this solicitation.

A sample contract may be attached for review as part of this solicitation. Exceptions to the County's standard contract form may result in rejection of the bid or proposal. The County will prepare a formal contract specific to this solicitation for execution by the successful Contractor & the Board of County Commissioners.

7. **Sample Form Contract** – The County's form contract may be attached as part of this solicitation. The vendor's submission of a bid response without identifying

exceptions expressly acknowledges and formally evidences the vendor's acceptance of all terms and conditions of the form contract. Any and all exceptions must be submitted in writing in the vendor's bid response.

If the vendor submits an exception, which alters the County's risk, liability, exposure in, or the intent of this procurement, the County reserves the right in its sole and absolute discretion to deem the vendor non-responsive.

All vendors further understand and agree that the County will accept no vendor exceptions to the form contract at any time after submission of the bid response.

8. All contracts entered into will be executed in Washington County, Pennsylvania. The parties acknowledge that the jurisdiction and venue for any dispute or any occurrence hereby arising out of the contract or out of performance of the contract or any other matter relating to Washington County shall be in the Court of Common Pleas of Washington County, Pennsylvania, and in no other location. This provision shall be deemed to be an integral part of any contract entered into by any Contractor with Washington County.

10. The County is required by State and Federal regulations to determine if any employee or contractor or vendor is excluded from participation in any Medicare, Medicaid, or other health care program. If it has been determined that any employee or contractor, both individual and entity, is on the exclusion list, said individual or entity must be reported to the Department of Public Welfare's Bureau of Program Integrity (BPI). Furthermore, in order to preserve funding through these programs, the County is required to immediately terminate excluded employees and to immediately terminate any contact with any vendor who is either on an exclusion list or employs an individual or individuals who are on such lists.

Federal health care programs (including Medicaid and SCHIP programs) are prohibited from paying for any goods or services furnished, ordered, or prescribed by excluded individuals or entities. Washington County will have no alternative but to cancel any existing contracts with excluded vendors or vendors who employs an excluded individual or entity. The County will not be responsible for any payment of goods or services furnished, ordered, or prescribed by excluded individuals or entities. Bidders responding to bids or proposals affected by these regulations accept an affirmative duty to verify that neither Bidder nor Bidder's employees have been excluded from participation in Medicare, Medicaid, or any other health

care program pursuant to Pennsylvania Department of Public Welfare (DPW) Medical assistance recommendations interpreting the United States Department of Health and Human Services' Office of Inspector General's regulations.

All County contracts with any contractor identified as meeting the criteria requiring exclusion screening must include the requirement that the contractor will develop and institute exclusion screening policies and procedures that conform to DPW recommendations and County requirements to assure compliance with federal regulations concerning suspension/debarment of all covered individual and entities.

11. The County may terminate the contract if the subcontracting is done without the Director of Purchasing's approval. **Invoices relating to any work performed by a subcontractor are subject to non-payment if prior written approval has not been received by the Director of Purchasing.**

15. **TERMINATION** - This Agreement shall continue in force until the end of its term and shall automatically terminate at the end of its term unless County terminates this Agreement earlier by providing thirty (30) days' notice to Contractor of its intent to terminate.

County may terminate this Agreement at any time for any reason with or without cause; however, in the event County elects to terminate this Agreement, Contractor shall be entitled to compensation for services provided up to the point of termination.

16. If any alleged errors are noted in the bid specifications, Bidder should immediately notify the county and, if confirmed, a bulletin shall be sent to all Bidders. A

copy of all bulletins issued shall be submitted with the bid documents to the County.

17. In completing the bid documents, Bidder should not add, delete or vary any of the terms or conditions or the documents prepared by the County. If Bidder makes any substantial changes in any of the documents, the county may, in its discretion, either reject the bid or waive the discrepancy. Bidder warrants that all goods and services described by Bidder in its bid offer, and all samples submitted by Bidder to the County shall conform to the specifications. Be advised that use of the bid form made available electronically is at the Bidder's discretion. Bidder assumes full responsibility for the integrity of the completed bid form submitted and acknowledges that no changes or alterations to the bid form structure or content, other than the Bidder's pricing, are allowed. Should any changes or alterations to the bid form structure or content be detected, the bid may be determined to be non-responsive and, therefore, disqualified.

Said samples will be returned to the bidder, if requested within ten (10) days of bid award; provided, however, that the County shall not be liable for damage to or destruction or consumption of these samples occurring in the ordinary course of reasonable inspection and testing. Inspection or testing by the County does not constitute a waiver of any claims or rights which the County would otherwise have with respect to the quality of goods or workmanship.

29. Unless otherwise provided in the specifications, any references in the specifications to the quantities of goods or frequency of services to be provided to the County are estimates, and the County reserves the right to require the successful Bidder to provide more or less than the estimated quantity or frequency, or to purchase none at all. If the County requires more than the estimated quantity during the bid period, the Bidder shall supply such additional quantity at the per UNIT COST submitted in the bid offer or proposal.

Carelessness in quoting prices, or in preparation of bid otherwise, will not relieve the bidder. Bidders are cautioned to recheck the bids for possible errors. Errors discovered after public opening cannot be corrected and the Bidder will be required to perform if his or her bid is accepted.

32. All billing is to be done on a monthly basis and in unit amounts indicated on bid. Invoices and delivery slips must reference the contract number and bid item number. Purchases by a contractor are taxable to the contractor except for purchases that are not taxable pursuant to the above provisions."

34. Unless otherwise provided in the invitation for bid, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County in its sole discretion determines to be equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

35. Bidder agrees and warrants that whenever the Bidder, in its bid offer, describes any goods by trade name, catalog number or "as per sample" the goods so described conform to the specifications. When a "name brand" is specified it is for reference only. The product supplied is to be of same quality as brand specified. If not noted, it will be assumed that the vendor is supplying name brand specified. Vendor must provide documentation and/or sample that alternate brand meets specifications.

36. **PRODUCT ENDORSEMENT:** Contracting with a vendor as a result of this Bid/RFP will not constitute an endorsement or suggestion, by Washington County, that the vendor's product or services are the best or only solution. In submitting a bid offer or proposal the vendor agrees to make no reference to Washington County in any literature, promotional material, brochures, sales presentation or the like without the express written consent of the Washington County Board of Commissioners.

37. NONDISCRIMINATION CLAUSE

During the term of this contract, Contractor agrees as follows:

1. Contractor shall not discriminate against any employee, applicant for employment, independent contractor, or any other person because of race, color, religious creed, handicap, ancestry, national origin, age, or sex. Contractor shall take affirmative action to ensure that applicants are employed, and that employees or agents are treated during employment, without regard to their race, color, religious creed, handicap, ancestry, national origin, age, or sex. Such affirmative action shall include, but is not limited to: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training. Contractor shall post in conspicuous places, available to employees, agents, applicants for employment, and other persons, a notice to be provided by the contracting agency setting forth the provisions of this nondiscrimination clause.
2. Contractor shall, in advertisements or requests for employment, placed by it or on its behalf, state that all qualified applicants will receive consideration for employment without regard to race, color, religious creed, handicap, ancestry, national origin, age, or sex.
3. Contractor shall send each labor union or workers' representative with which it has a collective bargaining agreement or other contract or understanding, a notice advising said labor union or workers' representative of its commitment to this nondiscrimination clause. Similar notice shall be sent to every other source or recruitment regularly utilized by Contractor.
4. It shall be no defense to a finding of noncompliance with this nondiscrimination clause that Contractor had delegated some of its employment practices to any union, training program, or other source of recruitment which prevents it from meeting its obligations. However, if the evidence indicates that the Contractor was not on notice of the third-party discrimination or made a good faith effort to correct it, such factor shall be considered in mitigation in determining appropriate sanctions.
5. Where the practices of a union or any training program or other source of recruitment will result in the exclusion of minority group persons, so that Contractor will be unable to meet its obligations under this nondiscrimination clause, Contractor shall then employ and fill vacancies through other nondiscriminatory employment procedures.
2. Contractor shall comply with all state and federal laws prohibiting discrimination in hiring or employment opportunities. In the event of Contractor's noncompliance with the nondiscrimination clause of this contract or with any such laws, this contract may be terminated or suspended, in whole or in part, and Contractor may be declared temporarily ineligible for further Commonwealth contracts, and other sanctions may be imposed and remedies invoked.
7.
