## **I. Statement of Purpose/Overview:**

The Washington County Department of Human Services' mission is to create an accessible and holistic integrated Human Services System that addresses the individual and family needs of Washington County residents to promote self-sufficiency and improve their quality of life. Our vision is to provide the highest quality health and human services for the residents throughout their life span.

## **II. The Opioid Settlement Fund**

The Washington County and its Department of Human Services is part of a national settlement with three major drugmakers to address the ongoing opioid epidemic. Washington County and its Board of Commissioners have developed a comprehensive plan to utilize the opioid settlement funds to strategically address the challenges presented by the opioid epidemic here in Washington County. Our comprehensive planning has developed strategies to support evidence-based practices that provide prevention and intervention programmatic services and work collaboratively with community providers to assess, implement, and monitor results to achieve best practice.

As the opioid epidemic has had devastating impacts on individuals and families throughout the Commonwealth of Pennsylvania, and directly here in Washington County, the Board of Commissioners is focused on continual efforts to vanguard collective actions that ultimately address the overarching socio-economic detriments that deter pathways to recovery. We are committed to working together to develop a shared vision that creates transformative and sustainable impacts for our current and future generations.

## **III. Goals & Impacts**

Our efforts are driven to reduce the impact of opioid addiction on individuals, families, and communities by improving access to holistic services and treatment for sustainable recovery and well-being. To best ensure the opioid settlement funds make the greatest possible difference in our communities, we are working creatively and collaboratively to administer these funds to connect high-level providers with the resource supports needed to achieve sustainable impact.

## NONDISCRIMINATION CLAUSE

During the term of this contract, Contractor agrees as follows:

1. Contractor shall not discriminate against any employee, applicant for employment, independent contractor, or any other person because of race, color, religious creed, handicap, ancestry, national origin, age, or sex. Contractor shall take affirmative action to ensure that applicants are employed, and that employees or agents are treated during employment, without regard to their race, color, religious creed, handicap, ancestry, national origin, age, or sex. Such affirmative action shall include, but is not limited to: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training. Contractor shall post in conspicuous places, available to employees, agents, applicants for employment, and other persons, a notice to be provided by the contracting agency setting forth the provisions of this nondiscrimination clause.
2. Contractor shall, in advertisements or requests for employment, placed by it or on its behalf, state that all qualified applicants will receive consideration for employment without regard to race, color, religious creed, handicap, ancestry, national origin, age, or sex.
3. Contractor shall send each labor union or workers' representative with which it has a collective bargaining agreement or other contract or understanding, a notice advising said labor union or workers' representative of its commitment to this nondiscrimination clause. Similar notice shall be sent to every other source or recruitment regularly utilized by Contractor.
4. It shall be no defense to a finding of noncompliance with this nondiscrimination clause that Contractor had delegated some of its employment practices to any union, training program, or other source of recruitment which prevents it from meeting its obligations. However, if the evidence indicates that the Contractor was not on notice of the third-party discrimination or made a good faith effort to correct it, such factor shall be considered in mitigation in determining appropriate sanctions.
5. Where the practices of a union or any training program or other source of recruitment will result in the exclusion of minority group persons, so that Contractor will be unable to meet its obligations under this nondiscrimination clause, Contractor shall then employ and fill vacancies through other nondiscriminatory employment procedures.
6. Contractor shall comply with all state and federal laws prohibiting discrimination in hiring or employment opportunities. In the event of Contractor's noncompliance with the nondiscrimination clause of this contract or with any such laws, this contract may be terminated or suspended, in whole or in part, and Contractor may be declared temporarily ineligible for further Commonwealth contracts, and other sanctions may be imposed and remedies invoked.
7. Contractor shall furnish all necessary employment documents and records to, and permit access to its books, records, and accounts by the contracting agency for purposes of investigation to ascertain compliance with the provisions of this clause. If Contractor does not possess documents or records reflecting the necessary information requested, it shall furnish such information on reporting forms supplied by the contracting agency.
8. Contractor shall actively recruit minority and women subcontractors or subcontractors with substantial minority representation among their employees.
9. Contractor shall include the provisions of this nondiscrimination clause in every subcontract, so that such provisions will be binding upon each Subcontractor.
10. Contractor obligations under this clause are limited to the Contractor's facilities within Pennsylvania or, where the contract is for purchase of goods manufactured outside of Pennsylvania, the facilities at which such goods are actually produced.
