Said samples will be returned to the bidder, if requested within ten (10) days of bid award; provided, however, that the County shall not be liable for damage to or destruction or consumption of these samples occurring in the ordinary course of reasonable inspection and testing. Inspection or testing by the County does not constitute a waiver of any claims or rights which the County would otherwise have with respect to the quality of goods or workmanship.

29. Unless otherwise provided in the specifications, any references in the specifications to the quantities of goods or frequency of services to be provided to the County are estimates, and the County reserves the right to require the successful Bidder to provide more or less than the estimated quantity or frequency, or to purchase none at all. Purchases by a contractor are taxable to the contractor except for purchases that are not taxable pursuant to the above provisions."

34. Unless otherwise provided in the invitation for bid, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County in its sole discretion determines to be equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

35. Bidder agrees and warrants that whenever the Bidder, in its bid offer, describes any goods by trade name, catalog number or "as per sample" the goods so described conform to the specifications. When a "name brand" is specified it is for reference only. The product supplied is to be of same quality as brand specified. NONDISCRIMINATION CLAUSE

During the term of this contract, Contractor agrees as follows:

1. Contractor shall not discriminate against any employee, applicant for employment, independent contractor, or any other person because of race, color, religious creed, handicap, ancestry, national origin, age, or sex. Contractor shall take affirmative action to ensure that applicants are employed, and that employees or agents are treated during employment, without regard to their race, color, religious creed, handicap, ancestry, national origin, age, or sex. Such affirmative action shall include, but is not limited to: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training. Contractor shall post in conspicuous places, available to employees, agents, applicants for employment, and other persons, a notice to be provided by the contracting agency setting forth the provisions of this nondiscrimination clause.
2. Contractor shall, in advertisements or requests for employment, placed by it or on its behalf, state that all qualified applicants will receive consideration for employment without regard to race, color, religious creed, handicap, ancestry, national origin, age, or sex.

Similar notice shall be sent to every other source or recruitment regularly utilized by Contractor.
4. It shall be no defense to a finding of noncompliance with this nondiscrimination clause that Contractor had delegated some of its employment practices to any union, training program, or other source of recruitment which prevents it from meeting its obligations. However, if the evidence indicates that the Contractor was not on notice of the third-party discrimination or made a good faith effort to correct it, such factor shall be considered in mitigation in determining appropriate

sanctions.

5. Where the practices of a union or any training program or other source of recruitment will result in the exclusion of minority group persons, so that Contractor will be unable to meet its obligations under this nondiscrimination clause, Contractor shall then employ and fill vacancies through other nondiscriminatory employment procedures.
6. Contractor shall comply with all state and federal laws prohibiting discrimination in hiring or employment opportunities. In the event of Contractor's noncompliance with the nondiscrimination clause of this contract or with any such laws, this contract may be terminated or suspended, in whole or in part, and Contractor may be declared temporarily ineligible for further Commonwealth contracts, and other sanctions may be imposed and remedies invoked.
7. Contractor shall furnish all necessary employment documents and records to, and permit access to its books, records, and accounts by the contracting agency for purposes of investigation to ascertain compliance with the provisions of this clause. If Contractor does not possess documents or records reflecting the necessary information requested, it shall furnish such information on reporting forms supplied by the contracting agency.
8. Contractor shall actively recruit minority and women subcontractors or subcontractors with substantial minority representation among its employees.
9. Contractor shall include the provisions of this nondiscrimination clause in every subcontract, so that such provisions will be binding upon each Subcontractor.
10. Contractor obligations under this clause are limited to the Contractor's facilities within Pennsylvania or, where the contract is for purchase of goods manufactured outside of Pennsylvania, the facilities at which such goods are actually produced.

CGL insurance shall be written on ISO occurrence form (or substitute form providing equivalent coverage). County of Washington shall be included as an insured under the CGL, using ISO additional insured endorsement CG2026 or a substitute providing equivalent coverage, and under the Commercial Umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs afforded to County of Washington. There shall be no endorsement or modification of the CGL policy which limits coverage for liability arising from claims based on sexual abuse or molestation. If such an endorsement has been added to the Contractor's CGL insurance, Contractor shall be required to obtain separate insurance coverage for claims based on sexual abuse or molestation.

(2) Business Automobile and Umbrella Liability Insurance.

Liability, Automobile Liability, or Umbrella Liability Insurance maintained pursuant to previous paragraph of this agreement.

(b) By requiring insurance herein, County of Washington does not represent that coverage and limits will necessarily be adequate to protect contractor, and such coverage and limits shall not be deemed as a limitation on Contractor's Liability under the indemnities granted to County of Washington in this contract.

(c) If Contractor's Liability does not contain the standard ISO separation of insured's provision, or a substantially similar clause, they shall be endorsed to provide Cross-Liability coverage.

(d) Prior to the commencement of terms of this contract, contractor shall furnish County of Washington with a certificate of insurance, executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above.

(g) Failure to maintain the required insurance may result in termination of this contract or other punitive measures, such as withholding payments or denying access to the premises at County of Washington's option.

(h) The contractor must agree to hold harmless and indemnify Washington County and its officials from and against any and all liability arising out of any action, claimed demand, suit, or cause of action which may be made or asserted against the County of Washington and its officials by reason of any acts of the agency, or its performance of the services contemplated by this contract.
