## —Founding History—

On March 28, 1781, the General Assembly of the Commonwealth of Pennsylvania created Washington County, from part of Westmoreland County. It was formed to allow inhabitants of the area west of the Monongahela River to have more convenient access to courts and public offices.

The erection of the first courthouse and jail was started in 1783, but it was not completed until 1787. This was a two-story log building, at the southeast corner of the public square, both the courthouse and jail being in the same building. The first log courthouse and jail were destroyed by fire during the winter of 1790-91. The total cost of this first Washington County Courthouse was 701 pounds, eight shillings, 9 3/4 pence, Pennsylvania currency.

A new courthouse was started immediately after the first was burned and completed July 19, 1794. It was a more permanent structure, of two stories and built of brick, and was about 50 feet wide by 75 feet long. It also stood at the corner of West Cherry and Main street. The cost was about \$8,000.00. In 1839 this building was razed, and on July 4, 1840, the cornerstone of the third courthouse was laid. The building was completed about 1842 at a cost of \$24,958.00 with additional for the Sheriff's residence.

The third courthouse was razed in 1898, when the present structure was started. The cornerstone was laid March 7, 1899, and it was dedicated November 17, 1900. The total cost of both courthouse and jail, together with the grounds was \$934,027.45.

No record has been found of the type of jail in use from 1791 to 1824, but in the latter year work on a stone structure with walls four feet thick, was started. This building was two stories high, and contained cells divided by stone walls. It was completed early in 1825 at a cost of \$3,500.00. This was in use until 1867, when it was razed and a brick jail and an addition to the courthouse erected at a cost of \$48,500.00. This was completed in 1868, and was in use exactly 30 years, being razed in 1898.

# INTRODUCTORY SECTION

## —County Information—

Washington County is a fourth class county located in Southwestern Pennsylvania. The county consists of 856.99 square miles of land with two third class cities, thirty-two boroughs and thirty-two townships. The county is situated in the 27th Judicial District, the 46th Senatorial District the 14th Congressional District, and the 15th, 39th, 40th, 46th, 48th, and 50th State Legislative Districts.

The Board of Commissioners is a three member board who serve as the executive branch of county government. Elected for four-year terms, the Commissioners elect one of their members as chairman. The Board has direct oversight over all administrative offices. The Commissioners are also members of the Salary Board, Sinking Fund Commission, Retirement Board, Prison Board and Election Board.

There are nine row offices, each office holder is elected for four-year terms. The nine row offices are: Clerk of Courts, Controller, Coroner, District Attorney, Prothonotary, Recorder of Deeds, Register of Wills, Sheriff and Treasurer.

Clerk of Courts: All records of the county courts involving criminal cases are kept in the clerk's office. Also kept on file are petitions for election districts, appointments of elected officials, tax collection bonds and other related documents.

Controller: The Controller is responsible for filing the financial statements of the county. All contracts and "bills" are first approved by the County Commissioners. These statements are then sent to the Controller for payment. The Controller is a member of Salary Board, Sinking Fund Commission, Retirement Board and Prison Board.

Coroner: The Coroner investigates questionable deaths in Washington County and completes all autopsy, coroner and toxicology reports. The Coroner then rules the cause of death and the accused will face trial for any crime committed.

District Attorney: The District Attorney is the chief prosecuting attorney for all crimes committed in Washington County. Every incident in which a person is charged with a felony, such as a murder, rape or robbery; or a misdemeanor, such as aggravated assault, simple assault, or theft is processed through the District Attorney's office. All extradition proceedings and summary offenses are also handled by the District Attorney's office. The District Attorney is a member of Prison Board.

Prothonotary: In this office all files related to the civil divisions of the courts are kept, including court cases involving divorce, custody of children, abuse, petitions for property disputes, car accidents, malpractice and tax, liens and judgments, tenant and landlord appeals.

Recorder of Deeds: Assembles and preserves documents containing deeds, mortgages, and taxes in an orderly archive accessible to the public.

## —County Information (cont.)—

Register of Wills: Administrates and executes the inventory for all wills and estates. In addition to these services, this office collects inheritance taxes for the Commonwealth; certifies the assets of the estates to the heirs; conducts hearings to determine the named administrator of the estate of the deceased. Another important function of this office is the issuance of marriage licenses.

Sheriff: The Sheriff is called upon for courthouse security, parks patrol and the transportation of prisoners, juveniles and mental patients. The Sheriff also approves the licensing of firearms and serves warrants and writs. The Sheriff is a member of Prison Board.

Treasurer: The Treasurer's office is the mailing agent of "bills" for the Commonwealth; it issues payroll and disbursement checks. Collecting county taxes, receiving money for state and federal grants and issuing licenses are among the major responsibilities. The Treasurer is a member of Sinking Fund Commission and Retirement Board.

The Court of Common Pleas is comprised of seven elected judges who sit on the court. They share a variety of responsibilities in the trial of criminal and civil matters. The President Judge has direct oversight over the administrative functions of the court, the magisterial district courts and court-related offices.

The Magisterial District Courts are comprised of eleven elected judges in eleven magisterial districts within the county. The judges are elected to six-year terms and hear civil suits filed by individual citizens or businesses where the amount in dispute does not exceed \$12,000.00. The District Justices also hear traffic cases, landlord tenant disputes, and the first phase of all criminal proceedings. The judges can also perform a marriage ceremony.
