

Employee Assistance Program (EAP) Overview

Invest in your wellbeing

EAP Services

- **Counseling Services:** Face-to-face, virtual, or phone counseling sessions for family, relationships, parenting, aging, grief, stress, or emotional concerns.
- **Work-Life:** Access over 4,000 articles, videos, tools, financial calculators, and webinars covering health, wellness, and financial topics.
- **Legal Support:** Legal articles, customizable wills, state-specific directives, and financial consultations for budgeting, debt, and credit.
- **24/7 Live Assistance:** Connect with a Work-Life Consultant anytime by phone for personal assistance and referrals.
- **Wellness Coaching:** Certified wellness coaches available to assist with nutrition, stress management, and lifestyle changes.

Call

- **Counseling Services:** For confidential counseling, call **1-800-327-5465**.
- **Work-Life Resources:** For access to articles, legal support, wellness coaching, financial tools, and more, contact our Work-Life team at **1-877-337-9553** for assistance with everyday life and wellness needs.
