Mingo Creek Park

Soaring, circling, and teetering on six (6) foot wingspans, Turkey Vultures are fascinating large birds. Did you know of all birds, Turkey Vultures have one off the best senses of smell? Join Evan McWreath to learn more about Turkey Vultures and research being conducted in our area. We'll visit a 2023 Turkey Vulture nesting location in Mingo Creek Park. Comfortable walking shoes are recommended as we will be walking approximately 1.5 miles round trip. A limited number of binoculars will be available.

Pre-registration is required, registration not more than 30 days in advance. Call 724-228-6867 or on-line at:
